# ISLAMIC SCHOOL CURRICULUM

## Arabic language:

Arabic language will be presented to the students in an interactive and delightful manner where both written and spoken language will be practiced. Only eloquent Arabic language will be used and no dialects will be used in class.

## Islamic religion:

This includes the following:

1. To learn how to read and recite Qur'an as well as memorize some of its chapters.
2. To understand and memorize some of the prophethood traditions (Hadith of prophet Mohammed peace be upon him).
3. To understand and memorize some of the Ahlulbait traditions (Hadith of Ahlulbait peace be upon them).
4. To study the prophethood and Ahlulbait Biography (Seerah).
5. To learn and practice some of the Islamic etiquettes and manners.
6. To learn the principles and branches of Islam.
